## **Agents West to represent MaxLite in Southern California, Southern Nevada, Arizona and New Mexico markets**

WEST CALDWELL, N.J. (June 25, 2019) – MaxLite has appointed Agents West as its exclusive representative for the Southern California, Southern Nevada, Arizona and New Mexico markets, effective July 1, 2019.

Founded in 1978, Agents West is a nationally recognized manufacturers' representative agency that sells and markets a broad spectrum of quality electrical supplies and energy management solutions. With a team of more than 40 sales professionals located in two offices in Southern California and satellite locations throughout the region, Agents West is fully prepared to assist lighting distributors and customers with MaxLite related questions and expert sales input.

"We are pleased to welcome Agents West to our sales force," said MaxLite Regional Sales Manager Eric Fournier. "Agents West has a long history of successfully growing market share for the electrical manufacturing suppliers they represent, and we look forward to a fruitful partnership that will expand MaxLite's sales footprint and customer service capabilities in the Southwestern U.S."

MaxLite offers the most complete portfolio of indoor and outdoor LED fixtures, lamps and lighting control solutions in the industry, backed by comprehensive warranty coverage and lifetime customer support. With a major distribution center in Anaheim, California, MaxLite provides 24- to 48-hour shipping to the Southwestern U.S., and same-day will call service to customers in the Southern California region.

"We are thrilled to add MaxLite's robust energy- and money-saving lighting solutions to our portfolio," said Sean Foster, principal of Agents West. "MaxLite's strengths as a lighting provider align perfectly with our core values of integrity, innovation, quality and service, and we look forward to a bright future together."

Agents West can be contacted online at [www.agentswest.com](http://www.agentswest.com) or by phone at 949-614-0300.

### **About MaxLite ([www.maxlite.com](http://www.maxlite.com))**

MaxLite has been committed to providing energy-efficient lighting products since 1993. One of the first movers into LED technology in the industry, MaxLite offers an extensive line of quality, certified indoor and outdoor LED lamps and luminaires. A five-time recipient of the ENERGY STAR Partner of the Year Award for its industry leadership, MaxLite continues to be at the forefront of energy-efficient technologies through the innovative research and development capabilities of its teams and facilities in New Jersey, Indiana and California.
